April 23, 2016 has been designated for the 100th Anniversary Celebration of the Sonora/Rocksprings Station. “Substation #14” was founded in 1916 at the request of area ranchers to address sheep and goat production problems in the Edwards Plateau. The theme of this celebration is “The Next 100 Years - You Be Involved.”

The last two field days held at the Sonora Station (April 2012 and April 2014) were both tremendous successes as venues to not only meet and welcome new neighbors and share with them the value of the Station, affiliated service agencies and the area’s volunteer organizations, but to highlight the Station as a point of contact for assistance in many areas related to livestock production, wildlife management, and sustainable use of natural resources.

Registration starts at 8:30 A.M., the program begins at 9:30 A.M. and the days events will conclude with a “Participant Appreciation Dinner & Dance” (music to be provided by Case Hardin and the Day Money Band). Attendees will be exposed to information on a variety of agricultural topics with presentations designed to assist with land stewardship, livestock management, and the “Science and Art of Agriculture,” as well as a brief history and a look towards the future of the Station.

Sponsors and exhibitors are needed to make the 100th Anniversary Celebration a success. Sponsorship levels available are: $1000 (Platinum), $500 (Gold), and $100 (Silver), and exhibitor space will be available for $200. Sponsors and exhibitors will be listed in the program. If you would like to participate as a sponsor or exhibitor to help cover costs of the meal and other related expenses, please make your tax-deductible, charitable donation payable to The Sutton County Community Trust (indicate “Sonora 100” in the memo of your check), complete the attached donation form, and mail with your check to:
