

# Heritage, Homestead & Habitat

April 22, 2017  
Sonora Research Station

“Heritage, Homestead & Habitat” is the theme for the third *Neighbor Meeting Neighbor* field day and will be held on April 22, 2017 at the Sonora Research Station. Registration begins at 8:30 AM., the program begins at 9:00 A.M., a good, old-fashioned Chuck Wagon Lunch at 12 Noon, and the days’ events will conclude at 3:30 P.M. The program will feature a variety of presentations on topics such as plant response to fire, wildlife in and around the Edwards Plateau, a drone demonstration and others. Due to the tremendous success of the Super Juniper Eating Goat Auction held during the 100<sup>th</sup> Anniversary in 2016, another auction has been added to this year’s agenda.

Sponsors and exhibitors are again needed to help underwrite the cost of the day. Sponsorships are available for \$100, and exhibitor space is available for \$200. All contributors will be listed in the program. If you would like to help cover costs of the meal and other related expenses:

Please make your check payable to Field Day (indicate “HHH” in the memo of your check), and mail with your completed donation form to:
